

Welcome to Maplewood Middle School

ACCORDING TO THE U.S. DEPARTMENT OF EDUCATION, STATISTICS SHOW THAT CHILDREN DO BETTER IN SCHOOL WHEN THEIR PARENTS ARE REGULARLY INVOLVED AT THEIR SCHOOL.

Your time is very valuable to your children and the school. Decide to spend 1 hour of your time getting involved with Maplewood Middle School during the upcoming school year. If a parent of every student volunteered 1 hour of their time throughout the school year, almost 900 hours of volunteer time would be directed toward your school.
